CHAIRMAN'S REPORT

Our credit union's performance last year could be best described as, strong and consistent. With the uncertainty of our economy and interest rates, we took a healthy and balanced approach in generating loans. Our loan portfolio grew by 14.03% and investments grew by 5.80%. Our priority is to generate loans, because it helps our members and generates the needed income to operate (pay your dividends and cover operational expenses). In 2017, we approved 91.37% of all loan requests.

Our Net Income (how much money we made in 2017) was a solid \$643,378 and our Net Worth (the accumulation of financial wealth over the life of the credit union), was a strong 15.63%. The high net worth is important because it ensures us a better chance to withstand major shocks or downturns in the economy like we saw in 2008. The bottom line is, Maui FCU is one of the safest financial institutions in the State of Hawaii and we strive to protect your financial assets.

As a not-for-profit financial institution, all of our net income goes back into the credit union in the form of higher net worth, lower interest rates, higher paid dividends and lower fees. Maui FCU provides great value to you, our members. Not only in the form of competitive interest rates and dividends, but our fees are amongst the lowest in the State of Hawaii (51%) and in the nation (31%).

2017 Financial Performance:

- Total assets grew by 2.19%
- Total shares increased 1.75%
- Total loans grew by 14.03%
- Net income of \$643,378
- Net worth increased by 4.26%
- Net worth ratio of 15.63%.
- Investments increased by 5.80%.
- Total operating expenses increased insignificantly by 1.23%

We are excited about the opportunity to better serve you in 2018. We will continue to provide the top value services and security you expect and deserve. We will broaden our marketing efforts to reach out to potential new members via social media, new services, and community outreach. Let us know if there is any way we can serve you better, because without you there would be no credit union.

The Maui FCU Boards of Directors, Management and Staff appreciate your membership and confidence in us. You are the reason we serve.

Sincerely,

Wes Nohara, Chairman

SUPERVISORY COMMITTEE REPORT

A comprehensive annual audit as of September 30, 2017 of books and records performed in accordance with the audit guidelines and procedures recommended in the Supervisory Committee guide for Federal Credit Unions was conducted by Kwock & Company, CPA's. From the information we have been given, it is the feeling of this committee that the elected officers, management and staff of Maui Federal Credit Union have performed their duties in a creditable manner and that the credit union is in a sound financial condition.

The Supervisory Committee continues to perform periodic surprise cash counts and reconcilement of traveler's checks along with other internal audit activities.

On behalf of all the committee members, we thank you for the opportunity to have served you.

Respectfully submitted,

Stacey Jio, Supervisory Committee Chairman
