CELEBRATING YOU THIS OCTOBER!

International Credit Union Day® has celebrated the credit union movement and the difference credit unions make in their communities since 1948. This year, ICU Day is October 15, and MauiFed is celebrating all week, October 13–17!

This year's theme, "Cooperative Finance: A Steady Signal in a Noisy World," celebrates the trust, stability, and people-first approach that credit unions provide their members.

Stop by throughout October for random in-branch giveaways! Mahalo for your continued trust and for allowing MauiFed to be part of your financial journey. We truly appreciate your membership and look forward to serving you for years to come!*

*WHILE SUPPLIES LAST.

CELEBRATING THE CREDIT UNION DIFFERENCE

In honor of International Credit Union Day®, the Credit Unions of Maui met with Mayor Richard Bissen for an official proclamation signing, recognizing the important role credit unions play in serving our members and strengthening our Maui community.
